1 Web Archiver

1.1 Using the Web Archiver

To access the webarchiver point your mouse to Tools → Archive Web Page...
A dialog will appear allowing you to save the current website being viewed.

1.2 Credits

The webarchiver plugin is Copyright (c) 2001-2003 Andreas Schlapbach, Antonio Larossa and Malte Starostik schlpbch@iam.unibe.ch larossa@kde.org malte@kde.org
